

Behaviour Beliefs

Our Mission

At BVE, we strive to create a culture of inclusion and respect. In this environment, students are able to work towards becoming life-long, creative and critical learners who are connected, compassionate and contributing members of their community.

Our Vision

Bebbie View Elementary is a school where everyone works together to be our best. We are committed to creating a community of learning that strives for academic excellence and focuses on:

honesty and integrity
creativity
social, emotional and physical health
respect
responsibility
thoughtfulness

The contributions of our community in the education of our students is valued and encouraged in working to develop successful citizens.
